Thanks!! I know that the trial is going forward today and I just looked at the notes and didn't want her to call the wrong chemist!

Caitlin Grasso is the one that gave it to me. I'll check again and make sure that I didn't type it wrong or that she didn't give it to me incorrectly.

I'll let you know. Thank you.

Hi Paula,

I just wanted to double check and make sure that this is the correct lab [REDACTED]? If it is, then I am not the chemist that should have been summonsed because I did not do any of the testing associated with this lab #.

Thanks,
